

Walk Report

Name: Jack
Date: 11/03/2025
Time: 17:00

Toilet:
T1: Yes
T2: No

Comments:

Through the woods and down to his swimming spot from the other day. He fetched a tree while swimming and even went in without being encouraged! Definitely looked like he was enjoying himself!

Jack made a squealing sound when running in a field, as if he stepped on something, but seems OK, I can't see any issues and walked fine all the way back.
